Dear Mr / Mrs!

This is already the 10th edition of the Witold Lutoslawski International Cello Competition. In this special jubilee moment I would like to express my appreciation and respect for all the organizers, jurors and participants. I would like to emphasize with pride that previous laureates are among the most outstanding artists with international careers. That reflects the importance and uniqueness of the Competition, which promotes young cellists in such a great way. I would like to especially thank the educators for their contribution to the development of skills and the artistic sensitivity of their pupils, and for supporting and creating conditions for their further development. I would also like to thank all the organizers who make this competition happen and fulfill its mission of promoting young cellists. Congratulations to all the participants, wishing you many laurels at the Competition and triumphs at prestigious concert halls around Poland and Europe. I wish you all personal success!

Yours faithfully,

prof. Małgorzata Omilanowska
